Foreword

The 1963 GINKGO takes its place in a world in which tradition has given way to creativity and its many innovations. We have attempted to incorporate simplicity and a sense of newness in recording the story of the school year of 1963, while embodying the spirit of enthusiasm and good will prevalent among the students.

MR. FREDERICK M. McCULLOUGH

To one whose able instruction has made a lasting impression on our minds, whose nobility has helped mold our characters, and whose kindness and shy charm have won a place in our hearts—to Mr. Frederick M. McCullough, admired teacher and friend, we thankfully dedicate the GINKGO of 1963.

Board of Education

The difficult job of co-ordinating the varied and extensive business and activities of the Crafton school system is successfully handled by our Board of Education. These highly respected and civic minded citizens give much of their valuable time that Crafton may have a fine educational program. With the welfare of the students and community their first consideration, the school board, led by Mrs. Robert A. Zern, decides the educational policies for the Crafton schools.

For the many advantages and improvements they have provided for us, we are deeply indebted.

In the Spring of 1963, "Meet Corliss Archer," a comedy in three acts, was presented under the direction of Mr. Edward Khoury.

The Senior Class Play takes place on the Archer's back porch. Corliss is shrewd and reticent about her feelings for Dexter Franklin, her boy friend, and takes pleasure in bewildering and humiliating him. Corliss and a girl friend compose a scandalous diary. Cousin Agnes, a believing old maid, gets possession of the diary and believes every word of it. As a result many trying and comical scenes take place.

Alma Mater

Loyal and truehearted,
Let us boost for Crafton High.
We revere her and defend her
As her colors proudly fly.
We will stand for her united;
Of her deeds we'll gladly tell,
Her colors streaming,
Bright faces beaming,
So here's a cheer for her
That we all love so well.
Joyous and ever loyal,
Let us boost for Crafton High;
Let every heart sing;
Let every voice ring;
There's no time to grieve and sigh.
It's ever onward, our course pursuing,
Let defeat ne'er our ardor cool;
But united we will boost for her —
Our Crafton High!

Junior Class

We completed a successful junior year with poise and eagerness to inherit the charmed title of "senior." We feel we have earned the respect of the school in our first role as upperclassmen.

In our fine class play we proved our worth as actors. Our majorettes and cheerleaders, by their enthusiasm and strong school spirit, were a great asset to our class. We proudly cheered our athletes on to victory in all school sports. We held a highly successful magazine drive, sponsored a lovely prom, and with great delight displayed our class rings. Now, most of all, we relish the thought of reaching the summit of our careers at CHS, and look forward to those ever-famous words, "Seniors first."

Mr. Kennedy with his producers and directors.

Under the direction of Mr. Frank Kennedy, the Junior Class put on a successful staging of Agatha Christie's three act mystery-comedy, "The Mousetrap."

Junior Activities

Juniors happily plan the great social event.

An A-P er ponders a moot question.

Oh, those gay fabulous rehearsals.

"Big Wheels" of the Sophomore Class.

Sophomore Class

Finally risen from our Freshman "shell," we rejoiced at our new status, though we were constantly reminded of the meaning of the word, "sophomore." No longer were we the "babies" of the school, and we looked down on our lowly successors with the same impatience and disdain that had become familiar to us as "Frosh."

We gave CHS our strongest support in all school activities. Our contributions to the football team were rewarded with an amazing total of eight Varsity lettermen. With a sense of pride toward the achievements of our Sophomore year, we eagerly await our next two years at CHS.

The 1963 GINKGO staff worked many tedious hours in the preparation of the yearbook. Satisfying a desire to shun tradition, while putting out the finest GINKGO yet, the editors and members of the staff initiated many innovations. Though tempers often flared and approaching deadlines brought havoc, the fun, enthusiasm, and satisfaction of producing the 1963 GINKGO made it an unforgettable project.

Football

Although the 1962 football season ended without a victory, the "Courageous Cougars" never gave up. Under the direction of head coach Paul Derrickson and assistants Paul Kmetz and William Mellet, the team played hard and clean even in bitter defeat. Lack of experienced players, with only three returning lettermen, was a definite disadvantage as they succumbed to superior opponents. With an entirely new schedule, Crafton entered Class "B" competition—running up against powerful teams like Upper St. Clair, Snowden, and South Fayette. However, the future looks bright for CHS as the underclassmen gained invaluable experience.

COACHING STAFF

Our coaching staff earned the respect of the players and students alike for the great amount of patient and tireless preparation behind this year's football season. Though victory was evasive, they never became disheartened or ceased to instill spirit into the Cougars. For this, we owe them a tremendous debt of gratitude.

RETURNING LETTERMEN

This year's returning lettermen have shown tremendous promise for the coming years. As Crafton was forced to eliminate Junior Varsity competition this year, these underclassmen were exposed to the pressures of Varsity competition. We wish them the best of luck and rest assured that their experience and talent will guide Crafton High School to victory in future seasons.

Basketball

The 1962-63 Cougar Basketball Team, though finishing the court season with a disappointing 4-14 record, displayed great team spirit and hustle. The Craftonites competed in a rugged Class B, Section 14 and faced such formidable opposition as Avonworth, Upper St. Clair, and Coraopolis. The season saw the stalwart Cougars on the short end of many heartbreaking close decisions. Not lacking for height, Crafton was hampered by other factors, such as a leaky defense and inexperience on a big floor. Next year's team, with the scoring punch of high scorer, Sam Hutchins, and Bob Patterson, should go a long way.
